FURNI URE. A. A. WELCH would call attention to the large and select stock of superior inet Furniture, Chairs, Bedsteds, Multrasses, &c. &c.
to be found at his Ware Rooms on the west side
of Sandusky street, one door North of Chamberlain & Avery's Hardware Store. Hisstock comprises a general assortment of City Made Furniture as well as articles of his own manufacture—
all which will be sold for prompt pay at the loweat resmitle rates. is the possible rates.

If a has also received a supply of the celebrated bodge & Co's. Patent Spring Bested, an article hat will repay a careful examination, as they are the very best apring-bottom bedsteds manu-

UNDERTAKING. He is prepared to respond promptly to all calls in this line—will manufacture to order Coffins of any desired style—and constantly keeps on hand a supply of the justly celebrated

for the remains of deceased friends is universaily acknowledged where they have been used-being air-tight, they are especially well designed for kesping a corpse in warm weather or for an itnusual length of time, as well as in preserving u from the encroachments of water ac. after interment. "True it is, the body so deposited is nothing but dust, and it is a wise and holy law of nature, that to dust it shall return; but still how much more consolatory to the surviving friends is the reflection, that this body shall be permitted to pass again into, and form a part of its native element by the aid of time and natural eauses alone, instead of being immersed in water and exposed to the depredations of insects; by which the remains are consumed before their ordinary and natural decay; or how satisfactory it would be to feel assured, that it remained in the earth where it had been placed, without disturbance from the knife of the dissector, or any joher human agency!"

A HEARSE, accompanied by a careful driver, will at all times be procurable for funeral occasions. Aug. 8, 1855 .- "tf.

> be imposed upon by a Counterte it of Morae's Indian Root Pills, signed 4. B. Moore. All a busine Indian Root Pills have the mass and signature of A. J. While of Co., on such box. such box.
>
> A BOVE we present you with a likeness of Dr. MORSE A—the inventor of MORSE'S INDIAN ROOT PILLS.—This philanthropis has spent the greater part of his Rie in travelling having visited Europe, Asis and Africa, as well as North America—has spent three years among the Indian Root Pills were has spent three years among the Indian Root Pills were first discovered. Dr. Morse' was the first in an to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—dat our strength, health, and hie depended upon this vital fluid.
>
> When the various passages become clogged, and do not set in perfect harmony with the different functions of the gody, the blood lesses its action, becomes thick corrupted and diseased, thus causing all pains, sickness and distress aff every-some; our strength, se almanted, our health we are ingrived of, and if nature is not assisted in throwing off the tonganal humors. The blood will become obliged and clease H act and has our light of the will become obliged and clease H act and has our light of the will become obliged and clease has a sample of the base of the bar free amount of the will become obliged of the bar free amounts and home places of the bar free amounts and have been declared from plants and Enois which grow around the mountainous olding in Nature's garden, for the health and recovery of diseased man. One of the Roots from which these Pills are made as Sadning, which opens the peers of the akin, and sasists Nature in throwing out the finer parts of the corruption within. The second plant is an Experiorant, that opens and uncloned the hieron party from the blood, which is then thrown out bounded by the urinary or water passage, and which could not have been descharged in purifying the blood, the coaser particles of impurity from the blood, which is then thrown out bounded by the bavels.
>
> From the above, it is shown that Dr. Morse's Indian Root Pills mat only enter the grounds, but becomes united with the blood, he had been accounted the blood, the coaser particles of

DR. HOOFLAND'S Balsamic Cordial,

FOR THE SPEEDY CURE OF Coughs, Colds, Influenza, Croup, Hoarseness, Bronchitis, Diseases of the Bowels arising from Cold, Incipient Consumption, and for the relief and fir at all possible cure of Pa-tients in advanced stages of the latter disease. OFFICE under the old Bank, American House, Bonjamis Bly, keq.

N. B. Special attention given to the Practice of Surgery CATABER, or Cemmon Cold, as it is familiarly called,
Is worthy of sindy, and scrizons enough to be avoided
it possible. Br. Beil says: "I will not asy that Colds are
to our inhabitants what the Plague and Fellow Freer are to
those of other countries; but I can aver condently that
they uther in disease of greater complicity and mortality
than these latter."

In the danger of Browchitis and Posumonia, which often
follow in the train of a neglected sold, and in Philaisis Pulamonalis, the tubercular irritation of which is developed by
the same cause, we surely have proof and argument aufficient for attention, not only to the preventative means, but
also to the curative ones of a disease, which however mild
in its ineception, is directly or indirectly productive of such
diversified and alarming results.

This lesson should be parieucharly impressed on those
who have any constitutional tendency to Pulmonary Consumption. DR. L. BARNE!

DR. S. BARTES AND HUNTER TENDER THEIR services vile citizens of Delaware and vicinity, for the treatment of st ease in accordance with Homeographic Rule Particular attention with be putd to chronic disease.

an.11, 1866.—11 who have any constitutional tentency to I united as samption.

The use of the Balsanic Cordial, agreeably to directions accompanying each bottle, will readily cure the most distressing case of cough.

Coughs sometimes proceed from a disordered or despeptic state of the stomach, in which case the German Bitters should be used. In cases of weakness, or general debility of the system, resulting from a protractod cough, the German Bitters will be found of great benefit.

In cases of coute Inflammation of the Lungs, the prominent symptoms generally are—hurried and painful respiration, imperfect arterialization of the blood, cough and ex-

In cases of scale Inflatmantion of the Lungs, the prominent symptoms generally are hurried and paintui respiration, imporfect arterialization of the blood, cough and expectoration, attended with exchement of the heart, fever, various derangements of the discastre sand urinary systems, prestration of strength, are the lungs may be discasted without any of these symptoms bring prominent, but the murmur produced during inspiration and regification, and the afternace contraction and expansion of the chest, evident to both night and feeling, all furnish most important physical signs in case of discase, audiential receive prompt attention.

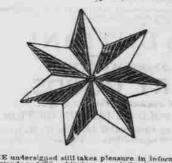

The discasse is usually caused by a cold settling on the lungs, and the use of the falsamic Cordial soon performs a cure. Reynolds & Frank The terrible fatality of discases resulting of the solid wing static osciols, may be seen by a glance set the following static takes from the records of the inard of Health of the delphia, concessedly one of the most healthy localities.
